SANTA SUSANNA · BARCELONA

Santa Susanna is a town set in an enviable location, between the Mediterranean Sea, the Montnegre mountain range and its stream.

On one side, more than two kilometres of high-quality beaches with clean, coarse, golden sand; on the other, the gateway to the Montnegre El Corredor Natural Park. For all these reasons it is the **"Oasis of the Mediterranean"**: much more than just beaches, it also has fields and mountains.
