THE TOURNAMENT VENUE

SANTA SUSANNA - BARCELONA

- Santa Susanna is a town located in an enviable setting, between the Mediterranean Sea, the Montnegre mountain range and a stream.
- On one side, we have more than two kilometres of high-quality beaches with clean, coarse, golden sand, and on the other, we are at the gateway to the Montnegre El Corredor Natural Park. It is precisely for all these reasons that we are known as the 'Oasis of the Mediterranean'. Santa Susanna is much more than just beaches, as it also has fields and mountains.
- It has a rich natural heritage and, due to its privileged location and climate, we have a great diversity of flora and fauna.
